

LA HABRA MONTESSORI PRESCHOOL

Learn, Aspire, Grow

September News Letter 2016

Our themes for the month of September were Five Senses, Parts of the Body, All About Me, and Fire Prevention. Our children are gradually getting used to fall schedule after a fun filled summer. But they are doing well and some older children have their own workbooks to boast about.

VISIT TO THE LA HABRA 191 FIRE STATION ON WEDNESDAY, SEPTEMBER 28TH.

It was the high light of the month. The children were anticipating this visit for a long time. When they went at last it was so much fun for them. We walked over to the fire station. Mr. Michael Bennett was the brave Fire Fighter who gave our children the tour. It was very interesting as the children had the privilege to see a real fire station and how our fire fighters live. We thank our parents who took time off from their busy schedules to be with us on this day, *Isaac's mom, Mrs. Evelyn Lindley and Genesis's grandfather, Mr. Enrique Trejo.*

Birthday Celebrations:
